Detailed Work History:

<u>From 09/2021 to current</u>	<u>Department of ICU</u>
<u>Position :- RMO/ Registrar</u>	<u>Galway clinic</u>
<u>Working hours 36 hours/week</u> I started working in Galway clinic as ICU registrar/ RMO in September 2021. My job is to manage cardiothoracic, general surgery, Urology, CCU and other specialty patients. I also discuss patients with ICU consultant and also with consultants from various specialties	

<u>From 07/2020 to 07/2021</u>	<u>Department of Anesthesia and ICU</u>
<u>Position :- Registrar</u>	<u>Galway University Hospital, Galway</u>
<u>Working hours : 42-60 hours/week</u> I got rotated to Galway University Hospitals for my 2 nd year of CPSP-HSE Scheme. I have worked in various theatres here including Emergency, Gynae & Obstetrics, General Surgery /day care and ICU. I did Obstetric on call which includes managing Labor patients i.e Epidural analgesia and LSCS under SAB and G/A. I am doing ICU calls here since December 2020	

<u>From 07/2019 to 07/2020</u>	<u>Department of Anesthesia and ICU</u>
<u>Position :- SHO</u>	<u>Sligo University Hospital, Sligo</u>
<u>Working hours: 42-60/week</u> I applied for CPSP-HSE scholarship and got posted to Sligo University Hospital for 1 year. I worked in almost all theatres mainly ENT, Gynae & Obstetrics, Trauma & Orthopedics and ICU. During the 1 st wave of COVID-19, I got experience in managing COVID as well. Initially I did 1 st on calls and later on worked as ICU on call for 7months. I also did patient transfers within Ireland as part of ICU rota.	

<u>From 01/2016 to 06/2019</u>	<u>Department of Anaesthesia and Intensive Care</u>

Position: Post Graduate Trainee	Hameed Latif Hospital, Lahore, Pakistan.
Working hours: 42-66/week <p>Hameed Latif hospital is a tertiary care hospital, covering almost all specialties. Anaesthesia department has access to all emergency, resuscitative and Intensive care facilities, covering almost all specialties including neurosurgery and cardiothoracic surgery.</p> <p>I worked here as Post Graduate Trainee, in Preoperative assessment clinic, intraoperative care and post-operative care including ICU and HDU. I performed several procedures independently like US guided peripheral and central venous cannulations, arterial cannulations, US guided peripheral Nerve Blocks and SABs. I did independent inductions most of the time in theater and out of theater like in ICU and wards. I did rotations in almost all specialties along with acute and chronic pain management rotations.</p> <p>During calls, I used to cover emergency theater and ICU. I got trained to do resuscitation and CPR and have good communication skills working with other team members.</p> <p>I presented theater and ICU audits a few times in our monthly meetings along with discussing critical incidents.</p>	

HOUSE JOB/INTERNSHIP:

From 05/2014 till 10/2014	General Surgery & Anesthesiology
Post: House Officer	Nawaz Sharif Social Security Hospital, Lahore
Working hours: 54hrs/week <p>I started my internship with General Surgery. I used to attend inpatients and outpatients clinics with regular ED cover for 24hrs in a week. I used to take history, do physical examination, take bloods for labs. I used to assist surgeries in Major theater complex and in ED theater. Besides, I got skills for minor procedures like incision and drainage, stitching for lacerations, aseptic dressings, ascitic fluid drainage, IV cannulation and Foley's Catheterization. I was involved in preparing patients on list for surgery. I helped during CPR and Resuscitation.</p> <p>During my 3 months Anesthesiology rotation, I was involved in doing pre-operative assessments of Emergency and Elective theatre patients. I worked in Obstetric theatres and General Surgery theatres mainly. My job was to assist senior doctors working in the Operation theatre and learning basics of Anesthesiology related procedures e.g. I/V canulations, endotracheal intubations etc.</p>
