Call for Research Proposals (Final Round)

Dear students!

The research proposals of the studies intended to be presented at the 17th UMR Conference 2024 are invited for submission to Ethical Review Committee (ERC).

Submission Deadline: June 20th, 2023

The submission must include the following:

1. The research proposal
2. The ERC form (filled)
3. Research tool
4. Consent form (if required)

The above forms, templates, and the research supervisors' list can be accessed from the UMR website under the tab 'Download' via the following link:

<https://umr.prime.edu.pk/downloads.php>

Once completed, submit your **proposal** along with the required documents in hard copy and softcopy to the UMR office.

Please note that you can only collect the data once the ERC has approved your proposal. In case of need of any assistance contact us at aliadurrani@hotmail.com.
