CURRICULUM VITAE

SRA Locum Template

It is of importance that all our CVs are received in the same format. We appreciate if you could fill this template out and return to info@sralocum.com. Should you have any questions please contact: Shahid Ali, Locum Coordination Consultant, SRA Locum (00353 1 685 4700).

RESUME FOR THE POST OF ORTHOPAEDIC REGISTRAR

Bio-data

Name : **HASNAIN RAZA**
Age : 43 years
DOB : 3rd July 1979
Nationality : Pakistani/ Irish
Current Address : Dublin. Ireland

Personal Statement

I am an accomplished orthopaedic surgeon with more than 16 years relevant orthopaedic experience including 4 years Residency and 11 years post FCPS experience in Ireland.

I have done one year Paediatric Orthopaedic Fellowship from the largest children Hospital in Ireland and currently I am doing one year clinical Fellowship in Hip and Knee surgery from Beacon Hospital Dublin which is ending in July 2023. Both fellowships are accredited from the Royal College of Surgeons Ireland.

I worked more than 5 years in Tallaght University Hospital (TUH), Dublin, a major trauma centre and the only hospital in Ireland where pelvic and acetabular injuries are referred and treated.

My professional journey started in 1997 as a medical student from Dow Medical College Karachi, Pakistan. After medical internship in 2003 from Aga Khan Hospital, Karachi, Pakistan (AKUH), I did basic surgical training followed by orthopaedic residency from AKUH. I passed

my orthopaedic fellowship exit exam FCPS in 2010 from College of Physicians and Surgeons Pakistan (CPSP)

I moved to Ireland in 2011, to gain further experience in different sub-specialities of orthopaedics. I worked in various major trauma centres and elective orthopaedic hospitals across Ireland as a **Registrar** and **Fellow**, where I was involved in management of various emergency and elective orthopaedic conditions including fracture fixations, arthroplasties, sports related injuries, deformities correction, musculoskeletal infections, Foot and Ankle surgery and Paediatric Orthopaedics.

I am highly dedicated to provide safe, efficient and patient centered care. I keep myself updated with the latest technological advancements in the field of orthopaedic surgery and applying those in the clinical practice.
