EMPLOYMENT HISTORY

General Medicine Registrar (November 2021 – Present time) Midland Regional Hospital Tullamore

I've started working in the AMAU in November as a registrar. We see a variety of patients, referred from A & E and GP surgeries, and after doing the work-up, we decided on either admitting them to hospital or discharging them. I then moved to the gastroenterology department working there as well, from July 2022 to the present time.

General Medicine SHO (July 2021 – November 2021) Midland Regional Hospital Tullamore

I worked in Haematology/oncology department in MRHT as an SHO for 3 months, covering ward, attending Clinic and covering on calls. I then worked in the Geriatric department for the remainder of the period.

ED SHO (January 2021- July 2021) University Hospital Waterford - Ireland

I started an SHO post in the ED of UHW. This is my first job in Ireland, and I believe this

job has introduced me well to working system in Ireland and I get a good experience from it.

ER Resident (October 2018 – December 2020) Almana General Hospital, Dammam - Saudi Arabia.

The hospital is a JCI & CBAHI accredited hospital with 300 beds. It's located in the city of Dammam, the capital city of eastern region of Saudi Arabia. AGH-Dammam provides comprehensive range of inpatient, daily cases, outpatient facilities together with accident & emergency and diagnostic facilities. There are ranges of critical care services including an Adult Intensive Unit, Coronary Care Unit, Adult High Dependency Unit.

Internal Medicine Resident, General (January 2017 – September 2018) Enaya Hospital, Dammam - Saudi Arabia

In this period, I was working in this newly opened hospital in Dammam. Our work was mainly in medical ward. Daily rounds, follow up of patients, documentations, Admission of the patient from ER or those who are referred from the OPD clinic.

Internal Medicine Resident, Cardiology unit (June 2014 – December 2016) Alamal National Hospital, Sudan. *In this period, I was working mainly in the CCU department of Alamal National Hospital. I was also covering the OPD clinic with the consultants, and independently covering INR clinic.*

ER Resident (January 2013 – October 2013) Alamal National Hospital, Sudan. *Working in one of the hospital clinic, where we deal mostly with a camp employee. Our main job was dealing with simple trauma cases, and other minor medical cases, and referring those who need further management to the hospital.*

Internship / House Officer (December 2011 – December 2012) Federal Ministry of Health, Sudan. *Post-graduation training period in General medicine, Obstetrics, General surgery and Paediatrics.*
