Previous employment description:

November 2014 – January 2019 I worked as locum GP at Glenard Clinic Mountmellick, coLaois; using Health One system, I worked, for a year, in **Cosmetic Medicine at Hylagen**, Newry, Northern Ireland which includes administration of Botulinum Toxin for cosmetic reasons and treatment of hyperhidrosis, Facial Augmentation using dermal fillers and the general medical administration for the clinic.

In February 2013 I started to work as a **SHO in Internal Medicine at Emergency Hospital** of Ramnicu Valcea.

My duties and responsibility were as follow:

Venepuncture, cannulation, prepare drugs for treatment, provide treatment – po, im, iv, provide ECG and interpretation of ECG, ascites drainage. General consult, recommendation of supplementary investigation and interpreting the results. Depending the results of the investigation prescribing treatment. Maintaining the evidence of the investigation and treatment made, writing the medical letter for Family Doctor, writing the recipes for continuation of the treatment.

All of this under the supervision of Senior Doctor Specialist in Internal Medicine.

Between 08/2007-03/2013 I worked as a **GP Register** for a private company, **Sc Danube Cruises Romania**.

My duties and responsibilities were:

Consultation, diagnose and prescribe drugs for all patients.

Administered/performed first aid in cases of cardiac arrest, urethral and gall colic, status epileptics, hypertension emergency, acute urinary retention etc. until the ambulance arrives

Supervising diet and treatment for chronic patients

I worked for the **Medical Centre Hipocrat 2000** Bucharest (Emergency First Aid Centre and Health Centre), I provided duty call twice a week (12 hours each shift) and two weekends every month.

I worked as a GP for adults and children. During this time, I consulted and prescribed medications to the patients with age between 0 - over 65. All this time I monitored the chronic disease.

At **Medical Centre Alexis** and **Medical Centre Romgermed** which are private practices, I was employed as a GP for Occupational Medicine I consulted more than 25 patients per day.

My duties and responsibilities were:

Performed general examination to the workers, recommended supplementary analyses, provided/prescribed treatment for patients, referred my patients to a specialist.

SHO in Family Medicine

I worked as a **SHO in Family Medicine at University Emergency Hospital Bucharest** throughout the training period (from 01/01/2004 to 31/12/2006) in order to become a specialist, Training consist in working in different section of the hospitals such as:

2 months in Surgery section at University Emergency Hospital

1 month in Psychiatry section at Military Hospital,

1 month in Infection section at,, Victor Babes,, Hospital

2 months in Obstetrics and Gynaecology section at ,,Sf. Ioan,, Hospital

1 month in Dermatology section at Military Hospital

5 months, Gomoiu Paediatric Hospital

1 month in Metabolic Disease at University Hospital CF Nr. 2

1 month in Neurology section at Fundeni Hospital,

6 months in Internal Medicine section at Colentina Hospital,

2 months in Obstetrics and Gynecology section at ,,Sf. Ioan,, Hospital 16 months in General Practice at ,,Titan,, Polyclinic.

During on these 16 months parallel with my work in that practice I continued to keep touch with Colentina Hospital doing duty call with my senior consultant and participated of presentation at clinic cases.
